PEO 5: To generate potential knowledge pools with interpersonal and collaborative skills to identify, assess and formulate problems and execute the solution in closely related pharmaceutical industries and to nurture striving desire in students for higher education and career growth.

Director's Message:

I am very proud to share that our College Technocrats Institute of Technology – Pharmacy under Technocrats TIT Group of Institution's one of the most eminent Higher Educational Institution today and is renowned for standards of its Faculties, Students and Alumni. It is constantly pushing the frontiers of knowledge and ensures the futuristic approach that keeps

pace with the changing trends of the professional world. It is a matter of pride and privilege for me to see the dynamic growth of the institute. Academic success has always been cherished tenfold when coupled with achievements in the various other non-academic arenas.

We provide state of the art infrastructure and dedicated, devoted and committed faculty. Our vision is to impart world class quality education to the students in pharmaceutical sciences in our campus.

We have an enviable and eminent global network of faculty members and we continue to ensure that our network becomes bigger and better. This not only gives us the edge to offer Under Graduate courses but also helps us to run the Post Graduate programs for the students to be Job ready. The research out-put by faculty and students is also encouraging.

- Dr. B.K. Dubey
Director

HOD Message

I am delighted to know that college is bringing Newsletter with information on academics and encompassing the events of professional activities, research initiatives and pharma updates. I am sure that Newsletter will give an ample opportunity to the students and faculty to bring their talents and contribute significantly to the profession. I take this opportunity to greet all of you and wish you success in all your endeavours.

- Dr. Deepak Basedia
HOD

Editor's Message

We the editorial committee have a great privilege on releasing the Newsletter of Technocrats Institute of Technology Pharmacy, Bhopal. As we all know a newsletter mirrors a college- its vision and mission. It also highlights events, activities and academic progress and activities. We extend our sincere thanks to our Beloved Director generous support and also grants the permission to release the newsletter. This Newsletter encourages many more including students to use it as a platform to express their creativity.

- Mr. Shailendra Prasad Tiwari
Assistant Professor

Technology is a word that describes something that doesn't work yet

CULTURAL

"Celebrating Knowledge: Drug Information Center Inauguration"

In a moment of significant importance, our institution Technocrats Institute of Technology Pharmacy celebrated the inauguration of its newest venture: the Drug Information Center. With a mission to provide vital insights into medications, promote health literacy, and enhance patient care, the center stood as a beacon of knowledge and support for both healthcare professionals and the community at large.

The Convocation Day was a momentous occasion, marking the culmination of years of hard work, dedication, and academic achievement for graduating students of our Institute Technocrats Institute of Technology Pharmacy.

Technocrats Institute of Technology Pharmacy organized Vasant Panchami celebration it was a vibrant and colorful affair, marking the arrival of spring and the onset of new beginnings

Our one of the Students Adarsh Mishra The winner of the RGPV state-level singing competition captivated audiences with their exceptional talent, passion, and soulful rendition of melodies.

Our Institute has organised Annual Day Celebration. The Annual Function was a spectacular showcase of talent, creativity, and unity, bringing together students, faculty, and staff for a memorable celebration of achievements and cultural diversity.

The Blood Donation Camp was Organized by Technocrats Institute of Technology Pharmacy with meticulous planning and enthusiasm, the camp provided a vital lifeline for those in need of blood transfusions while promoting awareness about the importance of blood donation in healthcare.
